Staff

All staff are NISD employees and participate in extensive training and are certified in CPR and First Aid. The average adult-child ratio in the Learning Tree program is one to eighteen. However, students may occasionally participate in large group activities where the ratio is increased.

Absences and Late pick-ups during the school year:

- If your child is absent from school for part of the day, they can attend Learning Tree unless they are ill or suspended from school.
- If your child is ill, and will not be attending the program, when calling the school to report the illness or when picking up your child from school, please ask the school secretary to put a notice of the child's absence in the Learning Tree mailbox or call the Learning Tree program directly.
 - Absences without prior notification may be mistaken for a missing child and cause unnecessary concern and time searching for the student.
 - If your child was not absent from school and does not arrive at the program as expected, the staff will contact the parents at work or home.
 - If parents cannot be reached, the staff will then call the individuals listed under the alternate contact list. Keep contact information current. If necessary, we will access school records for additional information.
- **Closing time is 6:30 PM promptly.** At 6:30 PM the Learning Tree program staff is officially off duty. The program's laptop will be used as the official timepiece. Pick-up after this time is considered **"late pick-up."**
- The Learning Tree program staff will remain with your child until you arrive but three late pick-ups in a one month time frame may result in your child being withdrawn from the Learning Tree program.
- Your account will be charged \$1 per minute per child for every minute after 6:35 PM. Please expect to pay the fee with your next month's tuition.
- When a parent has not arrived by 6:45 PM and has not contacted the Learning Tree program office, every attempt will be made by the staff to contact the parents, alternate contacts and others who are authorized to pick-up.
- If we cannot reach you or any of the other persons listed by 7:00 PM and no one has arrived to pick up your child, we will contact the Northside Police for assistance.
